Hosted by:

ARTS + LITERATURE LABORATORY

2021 Winnebago St, Madison, WI 53704

Join us for an evening of poetry, dramatic readings and stories with the Fellows of the Black Earth Institute. BEI is a national organization with a home in Black Earth composed of artists addressing the issues of spirit, earth and social justice. The art presented will speak to both timely and universal issues from the work and changes the fellows are active in. Coming from seven different states Tammy Gomez, Melissa Tuckey, Metta Sama, Lauren Camp, Ann Fisher-Wirth, Taylor Brorby, and Todd Davis will inspire and impress.
